Air Motor Rotary Vane Technology

Portable Mixers and Agitators:

- Portable mixer
- Batch mixer
- Lab mixer
- Pump mixer
- Stirrers/ Reactors
- Drum mixer / agitator

Pumps for Chemicals:

- Drum pumps
- Transfer pumps
- Sprayer pumps
- Ink dispensing pumps
- Sanitary pumps

Pumps for Diesel Engines:

- Pre lubrication oil
- Post lubrication oil
- Pneumatic Starters

Pumps for Marine/Shipyards:

- Portable cargo pumps
- Portable pressure washers

Backup Power for Pumps:

- Protect pumps against damage from loss of electrical power

Portable Pumps for Construction:

- Colloidal pumps
- Guniting pumps
- Shotcrete pumps
- Grout & Mortar pumps
- Fireproofing / Protective Coating pumps

Industrial Equipment:

- Hydraulic Power Units
- Hydraulic Cylinder Press
- Tire Balancers / Chargers
- Offline Fluid Filter Systems
- Reels / Hoists / Lifts
- Conveyors
- Weld Wire Feeders
- Fume Exhaust Fans
- Sanders / Grinders / Cutters
- Drills
- Pipefitters
- *And More...*

EC directive 94/9EC (ATEX 100a). They are intended to be used in zones 1 and 2 where explosive atmospheres are likely to occur.
