

120R COMPRESSOR SIDE MOUNT KIT

Installation and replacement is simple using the Gast K1032 Side Mount Kit.

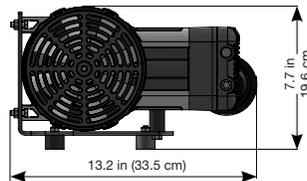

The new 120R rocking piston compressor was designed to be mounted and operated horizontally, lowering its profile to fit into tight applications. The 120R is a suitable replacement for Gast's 7HDD and 8HDM piston compressors. The 120R delivers air-flow capacity up to 12 cfm and pressure up to 145 psi and does so using less energy -- you get higher performance in a Gast air compressor that costs less to run.

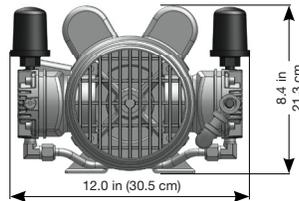

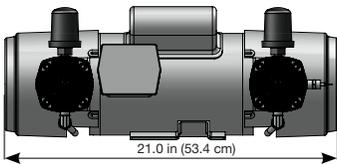

120R WITH K1032 SHOWN

LOWER PROFILE, COMPACT DESIGN

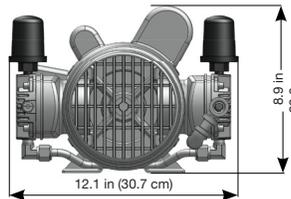

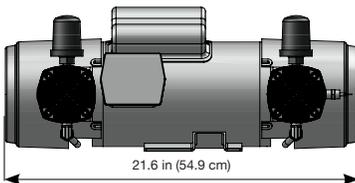

GAST 120R

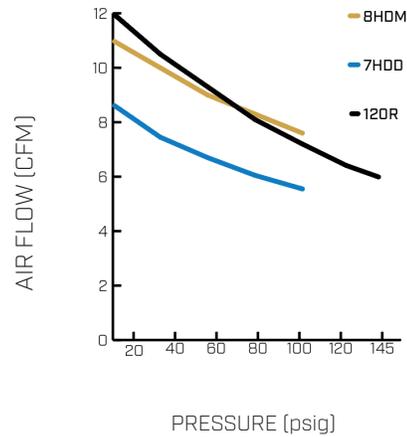

GAST 7HDD

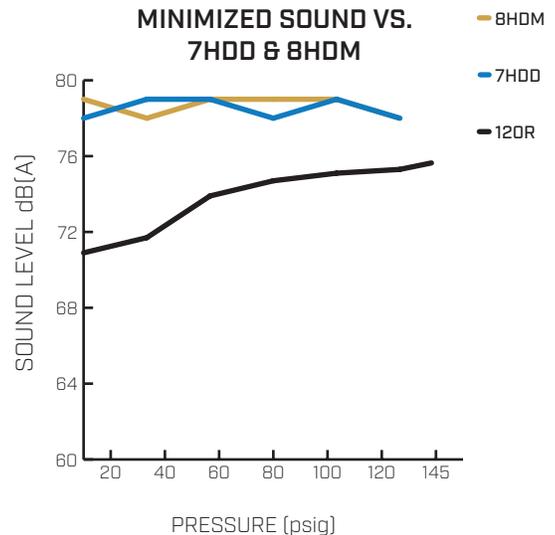

GAST 8HDM

IMPROVED AIR FLOW VS. 7HDD & 8HDM

MINIMIZED SOUND VS. 7HDD & 8HDM
